YOU CAN HELP

The Capital Area Music Association (CAMA) is a non-profit interdenominational choral organization providing a structure and forum for the presentation of sacred and/or secular music in the Capital City and its surrounding areas for more than 30 years. Since its inception, CAMA's primary focus and goal has been the pursuit of excellence in musical education and presentation.

The scholarship fund, named in honor of longtime CAMA member and music director Mr. Anthony T. Leach, was established to award qualified individuals seeking to develop their musical skills with assistance in paying for music education by means of private instruction or enrollment in an established college or conservatory. This scholarship is open to any individual who has a talent for music and wants to use it in the performing arts community.

It is our hope that the CAMA Golf Scramble will allow us to continue to award scholarships to talented individuals with a passion for the musical arts. You can help support these aspiring musicians by participating or becoming a sponsor for the event.
